

## ***SeniorNet partners with Statistics NZ***

SeniorNet is for all ages, being primarily intended for people in the 50 plus age group.

SeniorNet Federation has partnered with Statistics NZ from the end of February to the 6<sup>th</sup> March to cover helping with the Census. We are here to help the public with filling in you Census on line. You don't have to join SeniorNet, but you must book an appointment, and it is totally free. Please phone 308 0564 to book. Leave a message (we may be taking a class) and we will return your call.

We are here to help with all digital devices including Smartphones and iPhones, our tutors are all experienced volunteers, who give their time freely.

We are situated at 36 Goulstone Road directly behind the Tennis Courts.

Classes are held Monday to Friday. To join the club, the cost is \$30.00 per calendar year. The costs of classes vary but are at a low cost. Most classes last 2 hours.

Check us out at [seniornetwhakatane.nz](http://seniornetwhakatane.nz) where you will be able to view what is coming up and sign up for courses. We are also on Facebook.

Term one is well under way, and we now have eftpos and a fibre connection, which hopefully will help speed things up greatly.

Our Terms are 4 weeks and we don't operate in the school holidays. Next week we have a Sorting out of photos course and also a Facebook course.

Our Smartphone and iPhone Groups have had to separate, due to demand. So now Smartphones are on the first and Third Friday of the month, and iPhones on the second and fourth Friday of the month.

On the last Friday of the month we have a Friday forum at 1.30pm, where anyone can come along to meet the tutors and hear our guest speakers.

The last Friday of February will be a bit different as it is our AGM at 10.30am.

Coming up in April, there will be an Internet banking course and also how to make video's.

We also have created a book exchange; you may take a book, or add a book. No need to return the same book, pass it on if you wish. We do not check this book exchange, it runs by itself. No magazines please.
